Time Insurance

The *unexpected* happens everyday.

Someone falls down the stairs, gets injured in a car accident or develops a sudden illness. *In a single moment, your world can change.*

Unexpected illnesses or injuries can be startling ... so can the doctor bills. That's why it's important to have reliable temporary health insurance that will pay medical expenses when the unexpected occurs.

Short Term Medical from Time Insurance Company is temporary coverage (30 to 365 days*) for: people who are between jobs, those waiting for group health coverage to begin, recent college graduates, or dependents no longer eligible under their parents' health plan.

We offer affordable rates and convenient payment terms. Most importantly, we have a solid history of quick and fair payment of claims.

That's dependability you can count on.

*Varies by state.
