

## What's On Your List?

As a college student, health insurance may not be the first thing on your list. But if the unexpected happens, you could be at serious financial risk without it.

That's why Assurant Health created Student Select.

Student Select was designed specifically for college students and graduate students who need quality health insurance at a price they can afford. In many cases, Student Select costs less than a traditional individual medical plan.

### *About Assurant Health*

Assurant Health has been in business since 1892 and is the brand name for products underwritten and issued by Time Insurance Company, John Alden Life Insurance Company and Union Security Insurance Company. Together, these three underwriting companies provide health insurance coverage for more than one million people nationwide. With almost 3,000 employees, Assurant Health is headquartered in Milwaukee, Wis., and has operations offices in Minnesota, Idaho and Florida, as well as sales offices across the country. The Assurant Health Web site is [www.assuranthealth.com](http://www.assuranthealth.com).

Assurant Health is part of Assurant, a premier provider of specialized insurance products and related services in North America and selected international markets. Its four key businesses — Assurant Employee Benefits, Assurant Health, Assurant Solutions and Assurant Specialty Property — have partnered with clients who are leaders in their industries and have built leadership positions in a number of specialty insurance market segments worldwide.

Assurant, a Fortune 500 company, is traded on the New York Stock Exchange under the symbol AIZ. Assurant has more than \$20 billion in assets and \$7 billion in annual revenue. The Assurant Web site is [www.assurant.com](http://www.assurant.com).
